

LAUFEN PRO S

DESIGN BY PETER WIRZ

With lots of sensitivity Peter Wirz brought about a systematic, production-optimised evolution of the PRO concept: Thanks to its slim silhouette and clearly-defined radii, the washbasin has a light and elegant, appearance. The deep bowl means that it's also functionally appealing. The aesthetics of LAUFEN PRO S therefore definitely take the range in the direction of LAUFEN's premium design lines – while remaining affordable by all.

LAUFEN PRO A

DESIGN BY PETER WIRZ

A Classic design integrates unobtrusively into the living space and sets timeless benchmarks. This forms the vision of the LAUFEN PRO A series, which adapts to every room situation with the most modern design and inspires with numerous variations of imaginable ceramic art. Designer Peter Wirz has designed a bathroom programme that has been intelligently optimised for the ceramic production process. Democratic design thus finds its place even in bathrooms suitable for generations.
