# Simplicity redefined

Discover the EGGER Worktops Collection 26+, a carefully curated range of high quality and durable worktops. With a wide selection of finishes available, including walnut, oak, concrete, and marble, there is a finish to suit every interior. Application areas include kitchens, bathrooms, offices and retail spaces.

Featuring decors and textures that closely resemble solid wood and stone, these laminate worktops offer the added advantages of durability, hygiene, and effortless maintenance. Experience the beauty of natural materials without compromising on practicality. Complete the overall design using matching splashbacks, upstands, and edging, ensuring a co-ordinated finish.

The popular and versatile 38 mm postformed range, features a selection of 23 decors that display an impressive authenticity in the woodgrain and material decors. Additionally, three of these decors can be found in the elegant 25 mm square edged worktops.

For a touch of sophistication, the collection includes four Feelwood oak decors in 38 mm square edged profile, as well as twelve material reproductions in 25 mm square edged.

New for the Decorative Collection 26+, the luxurious PerfectSense Ambiance range offers a stylish, sleek profile with clean lines that mirrors the look of real granite and stone.

# Worktop Accessories

EGGER offers a range of essential accessories.

## Splashbacks

A stylish alternative to tiling, the easy to fit EGGER splashback requires no grouting and is simple to maintain. Perfect for those who want minimal hassle and upkeep. Available to order in all decors.

**Dimensions:**
4100 mm × 640 mm × 8 mm

## Upstands

(Square Edged, edged on all four sides)

Often used as a contemporary alternative or stylish accompaniment to tiling, EGGER upstands provide additional protection from water ingress to the back edge of worktops. Available to order in all decors.

**Dimensions:**
4100 mm × 120 mm × 18 mm

## Matching edging

**Matching 1.5 mm ABS edging is available for all worktops:**

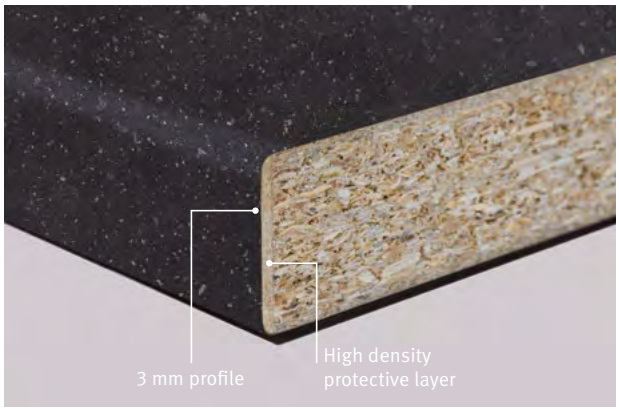

- 25 mm Square Edged Worktops:
  30 mm × 1.5 mm × 25 m roll
- 38 mm Postformed and Square Edged Worktops:
  43 mm × 1.5 mm × 25 m roll
- 38 mm Feelwood Square Edged Worktops:
  43 mm x 1.5 mm x 25 m roll
- 20 mm PerfectSense Ambiance Square Edged Worktops:
  24 mm x 1.5 mm x 25 m roll

## Profile Edges

Matching 1.5 mm thick ABS edging which gives a slimmer, sleeker edge than the usual 2 mm, whilst retaining the required durability.

**Square edged worktops** offer a stylishly sleek profile with clean lines that mirror the look of granite and stone, as well as wood.

**Postformed worktops** have a unique, advanced, high density protective layer underneath the laminate edge that makes the edge of the worktop more resistant to impact and stops any show-through of the chipboard core.

## EGGERSeal waterproof sealant and adhesive

- Not just for jointing, but can also be used to fix splashbacks/upstands
- Colour matched to the worktop, splashback and upstand to give a seamless and waterproof finish and used as a sealant bead between panel and worktop
- Toughened polymer technology

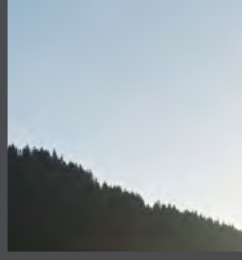

All decors shown and mentioned are reproductions.

# EGGERSeal Colour Match Guide

EGGERSeal waterproof sealant and adhesive is colour matched to EGGER worktop, splashback and upstand decors to give a seamless and waterproof finish. EGGER worktops have a 10 year guarantee when fitted using EGGERSeal in conjunction with the fitting guide. For more information visit to.egger.link/worktops

- Further decors available in our international collection with a lead time

# Space for **transparency and responsibility.**

EGGER views active climate protection as its duty. It is extensively investing to ensure it is making the best possible use of the valuable resource that is wood, including the expansion of its recycling collection centres. EGGER's efforts have a common goal: to responsibly manufacture products for its customers.

## A healthy home that can be relied on.

**to.egger.link/healthy-living**

EGGER is aware of the importance of indoor air quality for a healthy home. Its products are regularly tested by independent institutes to establish their suitability for healthy living and they fulfil strict international emission standards.

TÜV PROFI CERT 70 720 6806-01

## Focus on product transparency.

**to.egger.link/epd**

EGGER prioritises the responsible use of the valuable resource, wood. With externally verified environmental product declarations, EGGER makes the environmental impact of its products easy to determine and highlight its promise: More from wood.

THIRD-PARTY VERIFIED EPD ISO 14025 and EN 15804 Institut Bauen und Umwelt e.V.
