NatureSense Aqua

The water-resistant all-rounder.

The versatile NatureSense Aqua Laminate Flooring is designed to withstand various challenges. Its waterproof Aqua CLIC it! click system makes it suitable for any room, providing reliable protection against moisture and ensuring straightforward and adaptable installation. Additionally, the flooring is stain-resistant, easy to clean, scratch and impact-resistant, anti-slip, and resistant to fading. Its visually appealing decors and natural-looking surfaces add to its overall appeal.

NatureSense Aqua+

The attractive flooring with extra water protection.

Our NatureSense Aqua+ premium flooring is anything but afraid of water. The special swell protection formula of the core board, combined with our waterproof Aqua CLIC it! installation system, makes it the ideal flooring for commercial and private rooms with heavy use and increased cleaning requirements. With its robust surface properties and double water protection, it is a great alternative to tiles and is equally suitable for hotel lobbies, offices or bathrooms at home.

EL2190

EL2135

EL2150

Three good reasons
for a NatureSense Aqua+ floor

- Water-resistant for 72 hours
- Hard-wearing surface
- Dark core board with special swell protection formula
