NatureSense

Everyone’s floor.

No matter how busy your life is, NatureSense Laminate Flooring turns a space into your home. Made from the renewable raw material wood, it is available in many attractive decors and flooring board formats. The lightfast, scratch and impact-resistant surface withstands the challenges of everyday life and is easy to clean. It is a good companion for underfloor heating and, thanks to the click system, it is easy to install. NatureSense Laminate Flooring is the proven, affordable choice for DIY practitioners and anyone who likes to keep things simple.

Three good reasons
for a NatureSense floor

- Easy-care, robust and easy to clean
- Sustainable and suitable for healthy living
- Versatile in application

NatureSense Herringbone

The stylish classic.

Those who appreciate traditional aesthetics will find great value here, as a stylish appearance doesn't have to come with a high price tag. Our elegant herringbone decors bring the vibe of classic parquet flooring to any room. They combine the indestructibility of laminate with the style of parquet flooring. These can be installed as a floating floor, are resistant to fading, scratches, and impacts, and can be easily combined with underfloor heating.

Three good reasons
for a NatureSense Herringbone floor

- Classic parquet look in a herringbone design
- Robust surface
- Established and patented installation system
