

VAL washbasin 100; wall-hung WC, ‚rimless'; freestanding bathtub Ø 130 PURE basin mixer; set for concealed single lever bath mixer; wall-mounted spout FRAME 25 mirror INEO flush plate SUNRISE

VAL

DESIGN BY KONSTANTIN GRCIC

A material that offers new possibilities, a designer, who pursues new ways, a connection that creates new worlds. For a bathing experience that awakens unknown emotions. With his evolutionary designs, Konstantin Grcic architecturally stages the revolutionary Saphirkeramik from LAUFEN, thereby completing the bathroom collection VAL. Clear geometric lines, extremely narrow edges and finely textured surfaces united in harmony, open up a unique category of bathroom culture.
