LANI

DESIGN BY TOAN NGUYEN

With its slender and timeless design, the LANI furniture series, which is as practical as it is aesthetic, harmonises perfectly with LUA. It can also be making well thought-out storage solutions possible for both new and existing bathroom concepts with tried-and-tested washbasin objects. The all-rounder LANI inspires not only with its formal quality - Functional refinements are also built in, creating bathroom furniture that is more than the sum of its components.
