MEDA

DESIGN BY PETER WIRZ

Peter Wirz draws on the classic virtues of Swiss design: clarity, functionality and attention to detail. The result is MEDA – a universal bathroom collection that feels familiar from the first moment and blends into any environment, from rental apartments to hotel suites. The series offers a complete bathroom as a characterful unit, with a comprehensive range of ceramics, furniture, bathtubs and faucets in a timeless design language. With glossy and matt colour variants for washbasins and toilets, PVD coating options for faucets, and more than 40 painted surfaces for furniture, MEDA complements any interior design style and leaves nothing to be desired.
