

PRO S Combipack 800 mm, washbasin ‚slim' with vanity unit ‚Base'

LAUFEN PRO S

DESIGN BY PETER WIRZ

With lots of sensitivity Peter Wirz brought about a systematic, production-optimised evolution of the PRO concept: Thanks to its slim silhouette and clearly-defined radii, the washbasin has a light and elegant, appearance. The deep bowl means that it's also functionally appealing. The aesthetics of LAUFEN PRO S therefore definitely take the range in the direction of LAUFEN's premium design lines – while remaining affordable by all.
