CLEANET SHOWER TOILETS

ENHANCING EVERYDAY HYGIENE

The epitome of Swiss reliability and quality with the CLEANET collection of shower toilets. With neutral design that harmoniously integrates with our design lines, the CLEANET collection offers a range of high performance functionality. Always concealed behind elegant aesthetics. With simple operation and maintenance, plus a comprehensive range of options, CLEANET embodies the realisation of advanced design.

PERFECTLY COMFORTABLE

The Cleanet shower toilets blend seamlessly into any bathroom interior with their timeless ceramic body. This means increased design quality, thanks to the familiar aesthetics, as well as improved quality of living, thanks to intimate washing with pure water.

EASY TO USE

The great feeling of freshness and cleanliness, always within reach: the rotary button on the Cleanet shower toilet enables easy and intuitive use of the many shower functions. Turn and press – hygiene can be that easy. Additional functions and settings can be accessed via remote control or app.

THOROUGHLY CLEAN

The Cleanet shower toilets offer all-round optimum hygiene and cleanliness. The multi-level hygiene concept ranges from the basic shower functions, to self-cleaning after every use, all the way through to simple maintenance cleaning and automatic descaling.

CLEANET RIVA

Pure theory takes shape - in the form of a flawlessly designed unit featuring a technically advanced interior. The visionary concept is apparent in the strikingly sensitive design of this incomparable shower toilet, which boasts an intuitive stainless steel control system. Thanks to its patented technology, this design takes the holistic approach - incorporating design, comfort and hygiene - to an entirely new level, and has been rewarded with the most prestigious design awards.

Design by Peter Wirz.

CLEANET RIVA shower toilet SONAR washbasin 40; vanity unit

Minimalist compact design similar to a standard toilet

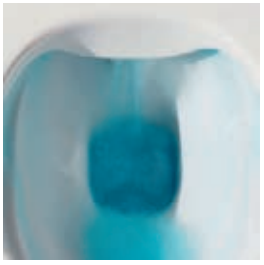

The exchangeable shower head is lowered into the ceramic body with a cover ring

Enclosed ceramic body with hidden water and electricity supply

CLEANET ALVIA

The all-inclusive shower toilet, for the ultimate in wellness & hygiene; highly personalised showering, soothing drying function, heated seat, UV & water disinfection and more for an ultra-modern bathroom experience. Installation is impressively simple with the innovative integrated water tank option allowing you to elevate your hygienic practices quickly and easily.

CLEANET ALVIA shower toilet

CLEANET ALVIA shower toilet

CLEANET ALVIA shower toilet

EASY ACCESS
Integrated lateral control panels on both sides provide easy access to basic functions.

POWER SAVING
Automatic power saving efficiency mode based in the real use of the CLEANET ALVIA.

REAR, INTENSE AND LADY SHOWER
Configurable multi-stream rear, intense and lady shower to suit personal wash mode preferences.

HIGH-EFFICIENCY AIR-DRYER
The Coanda effect directs airflow to specific areas, ensuring optimal efficiency and effectiveness. This aerodynamic phenomenon, where air flow follows the surface of the ceramic, enables fast and effective drying.

AUTOMATED FLUSH
The floor standing version offers both full and half flush options. It can also be configured for a pre-flush when the user approaches as well as a full or half flush after each shower function.

AIR PURIFICATION
Activated upon user detection, ensuring a fresh and pleasant environment.

CUSTOMISED SETTINGS
Customised Settings via remote control or app (LAUFEN SMARTCONTROL)

SEAT HEATING
Adjustable heating to suit personal preferences, with an evenly distributed heat, which can also be scheduled through the app.
